## SCHOOL SUPPLY LIST

- 2" binder (for the pre-schoolers, 1" is okay, everyone else should bring 2")
- Set of 8 dividers for binder
- Three hold pencil case for binder
- Your child's Hebrew name written on a sheet of paper (doesn't have to be written in Hebrew). If your child doesn't have a Hebrew name different from their English name, like my daughter, Sara, just let me know. We're going to learn to write everyone's name in Hebrew on the first day.
- 1 black and white composition book (you may want to buy a couple and keep the extras at home -- we will be using this for our word bank and it may fill up over the course of the year)
- Book bag that will hold the 2" binder
- File box that will hold 3x5 index cards. Over the course of the year, we will be making more than 100 flash cards, so if you'd like to keep them in a recipe box at home and use a smaller box to carry back and forth to school, that would be perfect.
